LAB & RADIOLOGY PROVIDER LISTING

LAB

QUEST DIAGNOSTICS

Please note: any and all lab work must be performed by Quest Diagnostics and requires an order from your physician. If it is necessary to order a lab test which can not be performed by Quest Diagnostics, a prior authorization request from your physician may be sent to Excel MSO. To find a Quest Diagnostics close to your home or work, please visit www.questdiagnostics.com.

RADIOLOGY

Please note: routine x-rays including contrast studies and diagnostic ultrasounds DO NOT NEED an authorization at the following contracted facilities. However, bone density, CT scans, diagnostic infertility studies, MRI's and nuclear medicine scans, and PET scans REQUIRE an authorization for all members at all facilities.
